

OBSERVATION REPORT #24

KPMG Consulting received unexpected service address errors on multiple service order requests.

Issue

KPMG Consulting submitted multiple service orders to Verizon-NJ (VZN-NJ) listing “Baldwin Trial ” as the address on the End User (EU) and Directory Listing (DL) forms. In response to all of the orders, VZN-NJ returned to KPMG Consulting system generated error messages stating “7073LW23 SERVICE ADDRESS MISMATCH LSR – LSR IN QUERY”.

KPMG Consulting submitted these orders in accordance with the Order Business Rules¹ and verified that these Baldwin Trial addresses do exist, as evidenced by their inclusion on responses to Customer Service Record (CSRs) and Address Validation (ADR) pre-order inquiries.

The following table lists a sample of PONs for orders that received this error message.
